

add\_customer\_input

```
graph LR; A[add_customer_input] --> B[add_customer]; B --> C[username_exists];
```

The diagram is a horizontal flowchart with three rectangular boxes. The first box on the left is shaded gray and contains the text 'add\_customer\_input'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'add\_customer'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'username\_exists'.
